

NOTICE OF PUBLIC MEETING ABOUT MEADOWBROOK

You are invited to a meeting to discuss the latest threat to build on Meadowbrook Golf Course and the course of action we should take:

Date: Wednesday, March 10, 2010
7:00 pm to 9:00 pm
Place: Edinburgh School Gymnasium
500 Hudson, Montreal West

The current owner of Meadowbrook, Groupe Pacific Canada, has informed the Government of Quebec that Montreal has agreed to allow construction on the Lachine portion of Meadowbrook this year.

When asked directly whether this is true, the City of Montreal has been evasive. The City of Montreal has also been evasive when asked when - or even if - it will consider the formal recommendation of its own Agglomeration Commission that Meadowbrook be preserved. Please go to <http://lesamisdemeadowbrook.org/agglo.htm> for the Commission's recommendations and some of the presentations it considered.

Les Amis de Meadowbrook has a plan to stop development once and for all, but we need your help. Please come to the meeting and bring some friends too.

We look forward to seeing you there!

LES AMIS DE MEADOWBROOK

Les Amis de Meadowbrook is a non-profit, grassroots organization of concerned citizens dedicated to preserving the green space of Meadowbrook golf course.
